

Joining arrangements

Membership of CO2CRC is AUD \$250,000 per annum, with a one-off joining fee of AUD \$250,000. Members are required to join to 2015. Life of the organisation beyond 2015 is currently being planned.

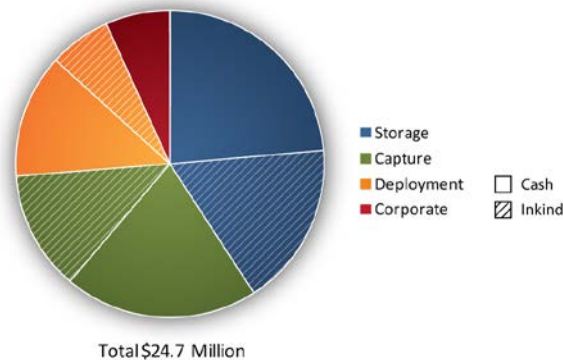

There are two categories of formal associations with CO2CRC:

- Members
- Associate Participants

Members sign the CRC agreement (with all members) and become a member of the company CO2CRC Ltd.

Associate Participants receive similar entitlements but do not receive the full rights of membership, such as voting rights, control of the science agenda and formal member meetings. These are typically research organisations.

Optional membership in **CO2CRC Technology Pty Ltd (CO2TECH)** can be requested. CO2TECH is a consulting arm related to CO2CRC but is a separate company.

Average annual budget is approximately \$20m
